North of downtown is Finlandia Park with Finlandia Hall at one end and the new Opera House at the other. Next to the park is the National past. The Rock Church, hacked out of solid stone, attracts many visitors seeking a few bars of gospel. There are concerts there as well as a International art from the 19th century. The National Museum has extensive collections of Sami and Finno-Ugric ethnological artifacts. The Helsinki has several great museums centrally located in the city. The Art Museum of the Ateneum is the principal gallery and covers Finnish and International art from 18th and 19th centuries. The National Gallery of Finland is another important art museum. The Helsinki Art Museum is located in the Ateneum building and is considered one of the finest art museums in Northern Europe. The museum houses a large collection of Finnish and international art from the 19th and 20th centuries.

Helsinki has wide boulevards and a beautiful blue harbor. The city is built on a windblown peninsula and many of the sights are within walking distance of each other. In the Historic center around Senate Square, you will see delightful neoclassical architecture in a cathedral and the government buildings. A stop by the Helsinki Cathedral, rising out of the waves is an interesting sight. Helsinki residents regard it as their symbol.

Helsinki has several grand museums centrally located in the city. The Art Museum of the Ateneum is the principal gallery and covers Finnish and International art from 18th and 19th centuries. The National Gallery of Finland is another important art museum. The Helsinki Art Museum is located in the Ateneum building and is considered one of the finest art museums in Northern Europe. The museum houses a large collection of Finnish and international art from the 19th and 20th centuries.

The Helsinki Cathedral, located at Unioninkatu 25, near the Senate Square, was completed in 1963 and is the largest church in Finland. The cathedral is a symbol of Helsinki and a popular tourist attraction.

The National Museum has extensive collections of Sami and Finno-Ugric ethnological artifacts. The museum houses a large collection of Finnish and international art from the 19th and 20th centuries.

The Uspenski Cathedral, located at Uspenskin katu 1, is a Russian Orthodox cathedral in the heart of Helsinki. It was built between 1830 and 1832 and is considered a masterpiece of Russian Baroque architecture.

The Rock Church, located at West 15, is a unique architectural landmark. It is a large rock excavation that has been transformed into a modern church. The church is known for its acoustics and views of the city.

The Helsinki Art Museum, located at Ateneum 1, is one of the finest art museums in Northern Europe. The museum houses a large collection of Finnish and international art from the 19th and 20th centuries.

The Helsinki City Hall, located at St. Alexander’s Square, is a magnificent example of Art Deco architecture. It houses the city council and is a popular tourist attraction.

The Kiasma Museum of Contemporary Art, located at Kiasma 3, is one of the most important contemporary art museums in the country. The museum features a collection of modern and contemporary art from Finland and around the world.

The Helsinki Market Square, located at Market Square, is the main shopping and tourist center of the city. It is surrounded by 19th century architecture and is home to many open-air cafes, making Helsinki a pleasant place to visit. The city retains a small-town feel. There are no high-rise buildings and the Market Square is still surrounded by 19th century architecture.

Helsinki is the center of cultural, financial and economic activity. Its green parks and waterways, fresh sea winds with seagulls flying over, busy market square and many open-air cafes, make Helsinki a pleasant place to visit. The city retains a small-town feel. There are no high-rise buildings and the Market Square is still surrounded by 19th century architecture.

Helsinki has wide boulevards and a beautiful blue harbor. The city is built on a windblown peninsula and many of the sights are within walking distance of each other.
