WELCOME TO A NEW ERA OF LOYALTY

As a loyalty member, you’ll soon have even more freedom in how you grow your status. With **Points Choice**, you'll earn points on your sailing – and then have the option to apply them to the program you prefer, whether that's Crown & Anchor®, Captain's Club, or the Venetian Society. It’s a simple new way to make your loyalty feel even more rewarding, no matter which brand you sail.

HERE’S WHAT YOU NEED TO KNOW

How does it work?

After your sailing ends, you'll have 14 days to submit a Points Choice request. This lets you apply your earned points to the program you want – Crown & Anchor®, Captain's Club, or the Venetian Society.

How do I submit my request?

Beginning January 30, 2026, for sailings departing on or after that date, you’ll be able to access a request form through the Royal Caribbean app or on our website. You must already be enrolled in the program you’re applying points to.

How are points earned?

You’ll continue earning points the same way you do today – based on your stateroom category and nights sailed. If you want to keep your points with the brand you sailed on, no action is needed. If you choose to move your points to another brand, the exchange rates are listed below.
